**DG Rob and Jill  
Batchelor**

Lion Rob was born in Hobart and was brought up mostly at Snug, some twenty kilometers south of Hobart. He was part of a family of four children, and attended the Snug Area School, which was known in those days as having an agricultural base. Rob's parents had several businesses in the area, mainly centered on building.

During his early years, he played local football, and was also involved in dinghy sailing with the local Sailing Club, and represented the State twice in National Championships. He was the Scout Master for the local Sea Scout Group for 20 years, and had ten years' service in the Naval Reserve.

He started his working life in Hobart in Administration, costing and estimating for a local printing company. He later transferred to the computer division as a Systems Designer/Programmer. Later still, he came back to the family building business. After spending around 10 years there before he and Jill entered the civil construction industry on their own.

## **DISTRICT OFFICERS – 2023/2024**

Jill and Rob have two sons, Scott and Adam. Currently, Adam runs the Plant Hire Division with Scott owning and operating his own Building and Construction Business. The Businesses have now been Consolidated. He and Jill have three grandchildren - Addison, Charlotte and Lewis. Both Jill and Rob are still active in the Business.

Rob's Lions life started with both parents having been members of Lions Clubs, and both having been 201T1 District Governors. Rob joined the Lions Club of Kingborough in 1976 and has been an active Member for 46 Years. The Club - which has a membership of around forty - is very active in the Community and the Lions District.

Code of Ethics

**To Show** my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

**To Seek** success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

**To Remember** that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

**Whenever** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

**To Hold** friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

**Always** to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labour and means.

**To Aid** others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

**To Be Careful** with my criticism and liberal with my praise; to build up and not destroy.
