Vol 48 No 3 September 2022

FROM THE DISTRICT GOVERNOR'S

Fellow Lions, Leos and friends

Here we are in the third month of the Lions fiscal year, time is moving on, too fast I think.

Mary and I visited the Clubs on the East coast region in the company of Zone Chair Alan Pretzman, we were made very welcome and the hospitality was much appreciated.

Mary and I have also visited the King Island Club. Due to airline delays the arranged afternoon tea to meet all the King Island Leos did not eventuate unfortunately. Although at a later time Mary and I were able to meet Leos Leda and Lily.

The King Island Club greeted us warmly and the hospitality afforded to us was amazing with special thanks to IPP Linda Payne. This Club is amazing for what they do for the community and the Club has three major projects being planned to finalise in 2024, not to mention the Clubs recycling project and the community lunches etc.

A special hello to Lion Lady Jan a very long term Club member and donor, what a wonderful lady, keep well and active Jan.

The District celebrating the 75th Anniversary in Australia has commenced with morning tea with Her Excellency Governor Barbara Baker and Emeritus Professor Don Chalmers at Government House on the 5th September. Her Excellency the Governor was inducted as a Honorary Lion and also presented with a Melvin Jones Fellow Award for her dedicated humanitarian services to the community.

Eighty-three (83) Lions and partners attended the morning tea and the majority of Lions and partners met her Excellency and Professor Chalmers with morning tea, a special and successful occasion.

Her Excellency the Governor has invited Lions Clubs to utilise the Government House estate for future Lions events.

I received a personal note from the Governor this morning thanking the Lions for her induction into the Lions family and the Melvin Jones Fellow Award, I have requested John our newsletter editor to publish the Governor's correspondence for your interest (see page 3).

A further 75th celebration event has been arranged on the 5th October with a civic reception with the Right Honourable Lord Mayor, Councillor Anna

Reynolds of Hobart, guests will be invited with a maximum of 40 to attend.

I must thank the District PR/Projects Chair Rod Wright for his expertise in managing and arranging these events, well done Rod.

During our visits to the District Clubs it has been noted that Clubs are arranging special projects for the 75th Anniversary.

The Global Membership Approach Programme has commenced and all District Clubs will be involved and participating as directed by LCI.

The GMA team leader David Triffett and his focus team will be communicating with the District Clubs to develop schedules and facilitate informative training and Club visits.

The 43rd Convention will be convened on the 11th -13th November 2022 at the Tramsheds Convention Centre, Inveresk, Launceston.

LIONS CLUBS INTERNATIONAL FOUNDATION

I have recently attended the Lions Clubs International Foundation (LCIF) training day in Sydney.

Facilitated by Tyrel Floyd the Regional Development Specialist from LCI and PIP Barry Palmer the Chairman for the Constitutional Area V11.

LCIF has made some area restructuring, MD 201 now has a Coordinator for every State + District Chairman + LCIF Club Board Member. If the Clubs have not filled in this position on their PU101, LCI will automatically appoint the Past President of the Club.

These changes have been made to try and raise the awareness of LCIF throughout the world. AS LCIF is the fundraising arm of LCI.

As T1 is a small District, I have been appointed to the two (2) positions, Coordinator + Chairperson for three (3) years. *My role is to educate Lions about the importance and impact in all aspects of fundraising in our District.*

Campaign 100 has now been completed and raised \$US324,687.263 across the world. *Our constitutional area raised over \$US6 million. It has been a huge success. PIP Dr. Jitsuhiro Yamada is coming to ANZI to thank our area for this result. But all our Clubs must continue to support LCIF*

T1 District target for this year is \$19,853 which is PMA\$21.

LCIF Chairman PIP Douglas X. Alexander has asked that Clubs continue to support the "Melvin Jones Fellow" by using and adding to credits available. *He states "Is a great way to thank Lions and non-Lions for their contributions by acknowledging their exemplary service".* Also, donations may be made by Lions to contribute to a MJF for themselves by different ways of

Cont'd next page...

Cont'd from previous page...

As previously informed in the Newsletter the Convention Programme is different this year and the Convention Committee have secured four excellent keynote speakers who will present a diverse and interesting scope of topics.

It is important that the Convention Registration forms as circulated in the District Newsletter are submitted to the Registrar as soon as possible, this will help the registration process in a timely manner (SEE PAGE 7!!)

It is a matter of fact that the Lions Clubs in T1 are lacking a public profile and social media exposure. VDG Victoria Cochrane has been working to recruit a small professional social media team and in the near future the team will be in contact with the District Clubs to progress and develop district Club social media profiles with mutual agreement (see page 6).

I have requested John the editor to publish the District Goals for your Club's action and progression to achieve success (see page 4).

Although there will be some challenges in achieving the goals we need to progress to success.

LCI has informed the district that we can appoint /elect a position focused on extension. The position title is ..The Global Extension Team Coordinator and will be a Cabinet Position. I have requested the editor to publish the Position Description for your interest, if you are interested please contact me to discuss (see back page).

A number of training opportunities are coming up as listed...

- **Lions Certified Instructor Programme...** Christchurch NZ, 14th - 17th April 2023.
- **Faculty Development Institute...** Perth, WA, 2nd - 4th December 2022.
- **Advanced Lions Leadership Institute...** Denpasar Bali, 4th -6th November 2022.

Personal Pars...

I recognise that the last couple of years have been full of unprecedented obstacles and challenges .Lions have risen above them and I am sure that Lions will continue to stay strong and move forward while continue to adjust and adapt.

As Lions we are the face of service in our communities, let people know you are there and a vital force supporting and servicing your communities.

As we move forward we need not only to retain membership but to grow our membership to continue to provide the services to your communities .Let people know you are there, then others see how rewarding it is and how much satisfaction you have providing services, hopefully that will translate into growing our numbers as we move forward.

This is the key to the long term survival of Lionism in the District.

With Spring and Summer approaching I hope we can all enjoy the warmer weather. Some Clubs will take advantage of the seasons and move forward with more service projects.

I hope you can get out and enjoy participating with Lions projects and services.

'SEE THE NEED... TAKE THE LEAD'

Yours in Lionism

Paul Cairnduff

District Governor 201T1

HER EXCELLENCY THE GOVERNOR
THE HONOURABLE BARBARA BAKER AC

Mr Paul Cairnduff
District Governor
Tasmanian Lions

5th September 2022

Dear District Governor,

I am writing to thank you for presenting me with Honorary Lions Membership and a Melvin Jones Fellowship. I am very honoured to receive these and thank the Lions Club of Tasmania and the Bluecross, Lions Club International Foundation.

Don and I enjoyed looking lions out Government House today and hope that your members enjoyed the occasion of your 75th anniversary.

Kind Regards
Barbara Baker
Governor

Cont'd from previous page...

obtaining credits.

Also Clubs to become more aware of the Grant Programmes, and consider larger Projects that involve Matching Grants with ALF and TLF.

Please can I ask Clubs to make sure they enter all the projects on the MyLion that come under the six (6) arms of the LCIF humanitarian banner.

I am aware there are many clubs doing wonderful work with e.g., School breakfasts and food parcels. Under the LCIF Discover you can add a picture and a small story that will go around the world, and see many other similar stories.

We will continue to have a monthly Zoom Meeting alternately with LCI and MD 201 on the first Saturday of every month if you have any questions, please contact me.

I get a monthly update on all donation from Clubs, MJF credits and plaques approved and sent.

PDG Annette Ogilvie
T1 LCIF District
Chairman &
Coordinator

KING ISLAND LEOS

King Island Leos recently held their second *Freedom To Feel Fantastic* day with their peers at the local District School. **This year, they ran a Splat Wall where senior students could throw water balloons at negative comments relating to body image.**

Money was raised through a free dress day (free to wear something that makes you feel fantastic) . A donation will be given to the Australian Lions Wellbeing Foundation so they can continue their work supporting youth self esteem. And of course, everyone had a sausage and a cupcake, courtesy of Lions and the King Island Bakehouse.

Photos:

201T1 District Goals 2022-2023

1. By the end of the fiscal year all District Clubs will have embraced a minimum of 4 of the 8 causes (Childhood Cancer, Vision, Diabetes, Humanitarian Efforts, Hunger, Environment, Youth and Disaster Relief) by a participating Project or donation.

2. By the 31/12/2023 fiscal year the 201T1 District will have progressed with the Environment Project (CRS) to continuation/finalisation.

3. By the end of the 2022/23 fiscal year, the 201T1 District will increase the percentage of Clubs reporting to 100% participation.

4. By the end of the 2022/23 fiscal year, the District 201T1 will achieve a positive growth of Clubs (3) and membership by 15%.

5. By the end of the 2022/23 fiscal year to achieve a positive membership growth of Lions and Leos by identifying and leveraging opportunities to attract young professionals in the age group of 30-45 who are responsible, service minded individuals.

5. By the end of the 2022/23 fiscal year, the 201T1 District will have a target of 30% of Clubs to qualify for the Club Excellence Award.

6. By the end of the last Quarter of the 2022/23 fiscal year, the 201T1 District will conduct training for Club Officers and Zone Chairpersons to prepare them for the 2023/24 fiscal year. The District Leadership Team Coordinator will report all District training utilising the reporting portal in Learn which is to be completed by June 2023.

7. By the end of the 2022/23 fiscal year 35% of Lions members will be motivated and equipped to undertake leadership roles in their Clubs and on District level.

8. During the 2022/2023 fiscal year the District Clubs arrange to promote leadership training opportunities and manage succession planning for Club, Cabinet and District Officers.

9. By the end of the fiscal year 2022/23, the District will support the Lions Clubs International Foundation in its endeavour to achieve its work and worldwide projects. In addition the District Clubs will support the Australian Lions Foundation and the Tasmanian Lions Foundation to the best of their ability and by the end of the 2022-2023 fiscal year 201TI District will ensure all Clubs will achieve participation.

10. By the end of the fiscal year 2022/2023 all Clubs will have supported and embraced the Global Membership Approach programme and experienced growth.

11. By the end of the fiscal year 2022/23 the Regional Chairpersons and Zone Chairpersons will ensure the required support and adequate training and resources are available to each District Club on an ongoing basis

12. During the 2022/2023 fiscal year the GAT Team will meet on a monthly basis and a least two meetings will convened at a convenient location with all Regional, Zone Chairpersons and the GAT Team to discuss planning, current topics and issues.

Lions MD201 Convention

Event: 28th April to 1st May 2023

A Generous Inheritance

A man is dying and the hospital calls the family to the hospital. The Father calls Harry his son and says "you know the houses I have in Chiswick, 20 of them are yours."

The son replies, "thank you so much, Father."

The Father calls the next son John. "You know the houses I have in Windsor they are yours 35 of them."

The son replies, "thank you so much, Father."

Then he calls the last son. "Philip, you know the houses I have in Fulham, they are yours all 45 of them."

The son replied, "thank you, Father."

The nurse sitting in the room turns to the wife and says, "your husband must be a very wealthy man!"

The wife turns around and says, "no he most definitely is not. He is a window cleaner!"

'Lions Tasmania' Facebook Page

The District FB page now has a new name, Lions Tasmania. The 'admins' of this page are myself, District IT Chair, Shae Collis, Secretary of King Island Lions, Linda Payne, Secretary of New Norfolk Lions, Marg Cranney and new member of Deloraine Lions, Leonie Meyer.

It is our aim to raise the profile of Lions Clubs in our District through the Facebook page, as well as making it a central place to communicate with all members.

Falling membership is a concern for all clubs and we must all work together to make Lions in Tasmania much more visible to the public. With the Global Membership Approach now taking shape with the formation of focus groups, the development of strategies for membership growth and retention is the business of every member.

Since making the page more active there has been more activity and likers to the page. There have also been one or two inquiries. To continue building the momentum we need your input, interaction with the page and ideas!

If your club has anything you wish the wider community to know about, please send photos and details to any of the admins listed above so that we can get the amazing work of clubs out there.

We also wish to make the page a point of contact for club members who are looking for support and ideas to build membership or to enhance service activities.

Please support us as we actively work to achieve the District Governor's goals and to be get the district out of transition.

The address of the Facebook page is:
www.facebook.com/Lions201T1

2nd Vice District Governor

Answer these if you can!

Did you ever notice that when you blow in a dog's face, he gets mad at you, but when you take him for a car ride, he sticks his head out the window?

Why, Why, Why

Why do we press harder on a remote control when we know the batteries are getting dead?

Why do banks charge a fee on 'insufficient funds' when they know there is not enough money?

Why does someone believe you when you say there are four billion stars, but check when you say the paint is wet?

Why doesn't Tarzan have a beard?

Tasmanian Container Refund Scheme

TAS the CRS Lion

Lions of District 201T1 this is a call to service for all your communities to benefit from.

The Container Refund scheme is in the third quarter and the Tender Documents were sent out last weekend by the Department of Environment.

To all Tasmanian Lions this is a chance to return funds that will be taken from your community by way of extra costs in soft drinks, water, beer and milk products of around 20 cents per item.

If your Lions club or partnered up community group wants to return at least 12 cents back to their community.

Now is the time to stand up.

LIONS LEADERSHIP INSIGHTS LEGAL & INSURANCE

FREE WEBINAR - REGISTER NOW

Thursday 29 Sept 2022 - 7:30 pm AEST

Lions Clubs are an essential part of the fabric of every Australian community, and our clubs are lucky to have the support of their Districts as well as a strong, national support structure – the Multiple District.

Two key assets to our organisation are strong legal, constitutional and policy advice, and a well-developed and cost-effective insurance program.

These portfolios are led by skilled, professional and highly committed Lions, our Legal Officer David Skinner OAM and our Insurance Consultant, Bob Korotcoff OAM.

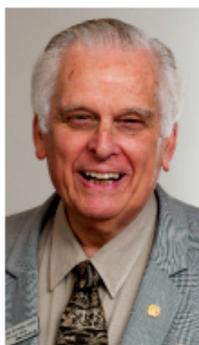

This webinar will provide an insight into the roles of these officers and their commentary on the key issues facing our Association going into the future.

It is an essential webinar for practicing lawyers and insurance professionals within our Association, as well as others Lions with a strong interest in this area.

Please share this invitation and register for the webinar, using the link below.

Register here -
<https://tinyurl.com/2p7vma67>

About our presenters...

DAVID SKINNER OAM

David Skinner was admitted to practice as a Solicitor in 1967 and is the Senior Partner in his firm based in Albury and supported by a Branch office in Culcairn. He has considerable experience in Commerce, Estate Planning, Conveyancing and Probate.

Following his term as National Chairman of Lions Australia, he was appointed the National Legal Officer with effect from the 1st July 2000 and continues in that role.

His service to our organisation has been recognised by the receipt of many awards including the Ambassador of Goodwill – the highest award which can be presented by the International Association of Lions Clubs.

BOB KOROTCOFF OAM

Being involved in the Insurance Industry for over 65 years and with a long history in Lions behind him, Bob is currently a member of Edwardstown Lions Club.

Bob joined Cairns (Barrier Reef) Lions Club in 1962, transferred to Townsville (Host) in 1964 and Brighton SA in 1974 serving in all club positions and many MD roles during that time including District Governor, and MD Sergeant at Arms.

In 1977, Bob was part of a Special MD Committee formed to review the insurance needs of Lions in Australia and has been involved in this Area since that date. He became the Lions Australia Insurance Programme Consultant in the early 90s and still occupies that role. His travels have seen him attend many District, National & International Conventions.

Away from Lions, Bob and his wife Erica have enjoyed many overseas & cruising holidays. They enjoy being a part of the Port Adelaide Cruise Ship Meet & Greet Programme and are regular Emergency Puppy Boarders for the Royal Society for the Blind. He was awarded an Order of Australia Medal (OAM) in 2020.

Always.

75 years and counting

THE LIONS LEADER

A series of Lions Policy and Procedure instructions and reminders for all Lions leaders from GLT Coordinator PDG Rob Mantach will feature each month. This third article deals with...

New Members

There is a worldwide goal to increase membership because more members means more service for those that are unfortunate. So, your club has just invited and inducted a new member – **that's great.**

However, do you know that some of those new members that join clubs decide to leave within the first three years of being a member. The main reason that they leave is because they were not getting the satisfaction out of being a Lions member that they had expected when they initially joined.

During the new member induction process the new member should be provided with a **Lions Information Booklet – A Guide for New Members** to provide them with an insight into Lions generally, **including history of Lions Clubs International, Purposes, Ethics, Structure at Multiple District, District and Club Level plus information on where our subscriptions go to.**

However, this guide is only the start and all new members should be provided with an orientation of how their club works, what the club does, its traditions, what service projects that they support and how they raise funds. **There are a number of resources available on the LCI website to help conduct Lions New Member Orientation including;**

- **The New Member Orientation Training Guide** that helps the trainer plan and conduct new member orientation.
- **The New Member Orientation Guide** as a reference for the new member during orientation.
- **The New Member Orientation PowerPoint** which is a template for the trainer to conduct the orientation.
- **The Basic Mentoring Guide** to ensure the new member successfully completes the orientation program.

There is also a New Member Welcome Booklet and a Lions Club International Facts Sheet.

The club's Membership Chairperson is the officer that ensures that effective orientation takes place for new members and increases satisfaction among current members.

It is important that the new members are introduced to all of the members of the club so that they become familiar with the personnel. Similarly, each new member needs to be included on a service committee and be involved in what the club does in the community.

Lions Clubs International has a number of personal leadership development programs for current and future Lions leaders which will enhance our capacity

to provide much needed service in our communities as well as helping the member in their lives outside of Lions in their family unit or career.

The importance of new member orientation cannot be emphasized enough. **The information presented during the orientation process provides a foundation for new members and helps them understand how the club functions, what their role will be and gives them the big picture of the district and the association.**

To finish off here is a couple of questions from the **New Member Orientation Guide...**

1. Who was the first president of Lions?
2. What is the primary service activity of Lions Clubs worldwide?

Answers are on page 14.

Next month we will talk about member orientation.

Regards

PDG Rob Mantach

District GLT Co-ordinator

**Remember...
MEMBERSHIP
is EVERY member's
BUSINESS!**

DONNY & ELROY

It won't be long before the delivery of Australian Lions Hearing Dogs' favourite dynamic duo: Donny and Elroy.

Donny and Elroy began their journey with Australian Lions Hearing Dogs in June 2021. The brothers, at two months of age, came into our arms from YP Puppy Rescue when Heather – the owner of YP Puppy Rescue – thought they had Assistance Dog material.

They were placed into the puppy program until they were ten months of age before finally starting their

training together. *Donny was placed with Trainer Marcello and Elroy, with Trainer Lauren briefly, before eventually going to Trainer Nick, who holds a rivalry against Marcello as to which dog is cuter!*

The brothers are incredibly mature, easy-going, motivated, and respectful. They were considered 'gentlemanly' dogs by the team, easily winning the hearts of many. *Despite their full-fledged, personalities, Donny loves all toys plush and Elroy would never deny a loving cuddle.*

Donny is going to his recipient at the end of August/early September and Elroy will be delivered in early September. Their success story will be a bittersweet memory for many at the organisation. We will miss these two boys, but it is uplifting to know they will be out there changing someone's life for the better.

19TH TO THE 25TH OF SEPTEMBER: NATIONAL WEEK OF DEAF PEOPLE

The National Week of Deaf People (NWDP) is an opportunity to celebrate Deaf individuals and the Australian Deaf community.

This event is traditionally held at the end of September and gives Deaf people a chance to celebrate their communities, language, culture, and history, alongside with making the public aware of and recognize their local Deaf Communities' accomplishments.

Spread the word about language culture history and help share awareness of local, State and National Deaf communities.

Keep an eye out on our Facebook for more National Week of Deaf People celebrations!

CAKES & MINTS

If you haven't done so already, then it is time to get your cake orders in.

PLEASE get your orders in early, don't leave it till November.

We cannot ensure that we will not have trouble with deliveries again this year. Transport companies and couriers are in big demand and, like businesses everywhere they are struggling to find, train and keep staff.

Please make sure you allow plenty of time for your order to be delivered to avoid disappointment and the frustration of not getting your order on time.

Traditional Foods will do their best to meet our needs but they don't / can't control the transport industry.

Remember that there has been a price rise this year; the new prices are 1.5kg are \$19; 1kg cakes and puddings are not \$15; the price of slices remains at \$2 each.

I know that lack of supply has caused major frustration amongst many of our clubs but I am finally able to report that Dollar Sweets now have stock available and have started to fill back orders (nearly 300 in total).

Again, this is another company that cannot fill vacant positions so we do need to continue to be patient.

Know that your order is in the queue and will be filled and dispatched as soon as possible. **If you have not heard any progress regarding your outstanding order by the end of October, please give me a call and we should be able to track the order for you.**

KINDNESS MATTERS AWARD

The Rocky Cape Lions Club was the only district entry in the 2022 Lions Clubs International Kindness Matters Award. After being approved by cabinet, it has now been forwarded to the Multiple District for judging at the next level.

Rocky Cape's entry covered two Lions' pillars - Youth and the Environment. The Rocky Cape Lions have been caretakers of their local park, Myoora Park, and its barbeque area on the banks of the Detention River since 2002. The park has the largest forest of Tasmanian White Gums on the Northwest Coast.

In July 2022, three youth from the Smithton High School and their coordinator came out to Myoora Park. They worked with six Rocky Cape Lions members to clean up vegetation in the park and the barbeque area.

This is the second time the club have liaised with the Dudley to engage youth in community service. The first was in June when he brought two boys out to help stack wood for a local elderly resident with three of our Lions. *Cleaning up the Myoora Park environment is nothing new for our club but involving youth from the high school is adding another dimension to their service because it is serving the youth as well. These boys are from troubled backgrounds and are often excluded from the classroom due to behaviour issues. The opportunity to engage with a community service organisation is giving them experience in looking after the environment and making a valuable contribution to the community. The boys were extremely keen and well behaved and have asked to come back again.*

Congratulations to Rocky Cape for their entry. We wish them all the best at the multi-district level. Next year it would be great to see more club entries showcasing the outstanding work that happens in our clubs.

P. Vere Cooper
District Service Team Coordinator
(Thanks to VDG2 Victoria for background information)

DAFFODIL DAYS 2022

On the 25th and 26th of August, the Lions Club of Launceston Windmill Hill conducted a daffodil stand in the “Meadow Mews” shopping centre, Kings Meadows, on behalf on The Cancer Council.

Above: Members of the Lions Club of Launceston – Windmill Hill - Happy in service to others

The stand was set up and stock supplied by the Cancer Council, who also visited us several times over the two days to re-stock and take excess cash away for banking. As a sign of the times, we also used a Cancer Council “Tyro” reader for card payments. The initial cash float was also supplied by the Cancer Council – this resulted no need for any banking or accounting by our Lions Club.

Over the two days eight members made their time available over the various shifts – the photo was taken on Thursday afternoon.

There was good fellowship enjoyed by both members and the public, with a high level of cash donations as well as product sales. This project was an example of members donating their labour, with no financial risk to our club or members. The Cancer Council will let us know the cash sales and donations received once they have tallied up the results.

After we all packed up on Thursday, it was off home to prepare for the Dinner Meeting that night!

Lions Club of Penguin
60th Charter Anniversary

The Lions club of Penguin was chartered on December 8th 1962.

The club will be celebrating it's 60th Charter Anniversary on Sunday December 4th 2022 at 12 noon.

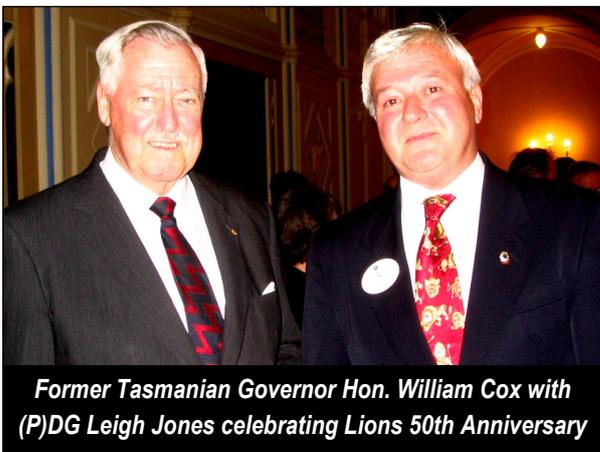

The function will be held at the Penguin Surf Club, Preservation Bay with food, memorabilia and lots of stories being told.

A lunchtime event was chosen to enable older Lions to come and enjoy and those travelling not to be on the road too late.

The Anniversary Committee is trying to contact all former Penguin Lions to issue invitations.

An invitation for T1 District Lions will be in issued in the next District Newsletter.

 Lions Club of Penguin

Former Tasmanian Governor Hon. William Cox with (P)DG Leigh Jones celebrating Lions 50th Anniversary

T1 LIONS CELEBRATE 75 YEARS OF SERVICE WITH GOVERNOR OF TASMANIA HON. BARBARA BAKER (PIC BELOW R)

Morning Tea at Government house was attended by eighty-two (82) Lions and partners from across the State and was a great success. Her Excellency the Honourable Barbara Baker was presented with a Melvin Jones Fellow and was made an Honorary Lion of District T1. Her Excellency and her husband Professor Don Chalmers then mingled with guests for more than an hour.

At the moment I am erecting signs to go on major outlets around Hobart for 3 weeks , they will be then erected around Launceston for a similar time and then in the North West. I intend to display them until June 30th 2023 in various places around the state.

I urge Clubs to consider a special function to celebrate 75 years of Lions, maybe planting 75 Trees or shrubs in your municipality maybe even grasses around wetlands. Please make an effort, it is an important milestone for Lions.

I have sent media releases to all the Newspapers across Tasmania and to every council monthly newsletter. I would like to be kept informed as to the success of this venture.

Other things in the pipeline is a district picnic at Ross and 20 over cricket match North against South.

Also a Time Capsule with the history of every Lions Club included to be opened on our 100th Anniversary.

Maybe a Mural in Sheffield celebrating 75 years of service.

I am open to any idea's you may have.

DISTRICT NEWSLETTER 2011

Copy for the newsletter is required on or before the tenth (10th) of the month of publication.

It is preferred that articles be typed and then submitted for publication by e-mail.

Please forward (where possible) photos and newspaper cuttings with your article.

Scanned images should be of high quality (300dpi).

Deadline for next issue is: OCTOBER 10th

GLOBAL ACTION TEAM

Global Extension Team (GET) District Coordinator

Term	One year; selected by district (per the district constitutional by-laws) as a member of the district cabinet. May serve multiple terms.
Position Overview	As the GET District Coordinator, your efforts directly impact the success of the Global Action Team's initiatives. You will lead your district's efforts to charter new clubs. You will build and lead a team of Lions who share your passion for extension. You know how to connect with people and overcome obstacles.
Actions for Success	<ul style="list-style-type: none">Identify opportunities to charter new clubs in communities or within groups of a larger community that are not served or are underserved.Collaborate with district leadership to build a team capable of completing the tasks required in successful chartering of new clubs including membership recruitment, leadership development, and engagement in meaningful service projects.Develop a plan and timeline for each potential new club following proven processes for new club development including site selection, needs assessments, identification of sponsoring clubs and guiding lions, informational and organizational meetings, and charter member recruitment.Understand and communicate the process and policies of new club development to team members and ensure that accurate information is conveyed to prospective members.Enable the success of new clubs by helping sponsor clubs establish mentoring relationships with the new club officers and educating Guiding Lions on expectations of the new club.Train and involve Lions interested in new club chartering to expand the district's ability to charter new clubs.Ensure new club applications are complete, properly approved, and submitted efficiently.
Measuring Success	<ul style="list-style-type: none">Achieve district extension goals.New club applications are submitted correctly and in a timely mannerDecrease number of days in club chartering process
Recommended Qualifications	<ul style="list-style-type: none">Knowledgeable about the club chartering processPassionate about Lions and is invested in the association's future.Able to use technology (Email, Microsoft Office, MyLCI, LCI website, social media).
Reporting	<ul style="list-style-type: none">Report to district Global Action Team chairperson (district governor).

I know how you feel...

Sitting in the reception area of the doctor's office, a woman rolled an elderly man in a wheelchair into the room. As she went to the receptionist's desk, the man sat there, alone and silent.

Another patient was thinking whether to make small talk with him, when a little boy slipped off his mother's lap and walked over to the wheelchair. Placing his hand on the man's, he said, "I know how you feel. My mum makes me ride in the stroller, too!"
